The Play On! Soccer Camp is now part of the greater Concord area landscape for campers looking for a great experience. This camp will provide the campers a week long opportunity to receive positive instruction while practicing the game of soccer on the beautiful NHTI field complex. Our camp emphasizes skills, preparation and traditional aspects of the game of soccer. Our experienced instructors will build on each player's foundation of knowledge and skill while introducing Advanced Skills and Techniques to play the game.

Play On! Soccer Camp is a team camp with players divided by age into teams for practice, scrimmaging and game sessions in a traditional style camp. Drill stations, team practices, scrimmaging and games will be a regular part of the daily activity at camp supervised directly by Coach Johnson and Coach Crockett.

#### **What does a player need for experience?**

Each player receives a tremendous daily workout and numerous skills to work on at home. The outstanding facilities and low player-to-coach ratio allows every player to grow their own individual game.

Coach Johnson and Coach Crockett will direct the camp bringing their many years of experience and knowledge to the pitch every day. Their passion for the game of soccer is well known in New England and the relationships that are created during the camp experience will be positive for all campers.

Every day during the camp, a goalie training session will be held as well for players of every level. The training will be progressive over the course of the camp duration.

### **Why the Play On! Soccer Camp name?**

Play On! is the symbolic “call” from coaches and officials to continue to play hard no matter what the circumstance is on the field. Competition and skill advancement will continue to be key components of every Coach Hogan camp experience.

### **Do I need to be an experienced player to attend the camp?**

**No.** We welcome the serious player intent on improving their game. This camp instructs every position including goal keeping. The balance of the camp is dedicated to teaching team play with an emphasis on individual skill development.
