July 8-12 Week # 2

Grades 4-11 (Boy's and Girl's)

Session: 8:30 a.m.-3:30 p.m. Monday-Friday

The Rip City Basketball Camp is an **intense skill** camp for the motivated camper. This camp will provide the serious camper a week long opportunity to receive positive instruction while practicing the game of basketball. Our camp emphasizes skills, preparation and traditional aspects of the game of basketball. Our experienced instructors will build on each player's foundation of knowledge and skill while introducing Advanced Skills and Techniques to play the game.

Rip City Session is a team camp with players divided by age into teams for practice, scrimmaging and game sessions in a traditional style camp. Drill stations, team practices, scrimmaging and games will be a regular part of the daily activity at camp supervised directly by Coach Hogan.

What does a player need for experience?

Each player receives a tremendous daily workout and numerous skills to work on at home. The outstanding facilities and low player-to-coach ratio allows every player to grow their own individual

game. Full court 5 on 5 games will be played with emphasis on team play and individual skill advancement.

Why the Rip City Basketball Camp name?

Rip City is symbolic of the ability of a player to “swish” the ball. Rip City is also a favorite camp game at all of Coach Hogan’s basketball camps. Competition and skill advancement are key components of every Coach Hogan basketball camp.

Do I need to be an experienced player to attend the camp?

No. We welcome the serious player intent on improving their game. This camp instructs every position on the floor. The balance of the camp is dedicated to teaching team play with an emphasis on individual post, perimeter and guard play.
