

What do I need to bring?

For the Point Guard/Post Player and Specialty camps, all overnight campers need to bring *pillows, linen, towels, blankets, baby powder, toiletries, a fan, and a clock*. In addition, please bring enough basketball apparel including sneakers, shorts, t-shirts, white socks, and undergarments to last the entire week. A basketball should be brought to camp by each camper (clearly marked) or campers may purchase a ball at the camp store. Campers should make sure that any “new” sneakers have been used a bit prior to the camp to avoid foot issues such as blisters.

All campers will receive a t-shirt and a workout program but each camper should bring their own basketball or purchase a camp basketball. The camp store which will sell camp apparel during the day or drinks/snacks will be available throughout the week and will be set up in the *NHTI Wellness Center lobby* on the first day of camp during registration.

Roommate requests will be honored if possible! Campers should indicate on the registration form who they would like to have for a roommate! Most rooms are doubles but usually we have a few triples available depending on the Residence hall we will be using!

A confirmation letter will be sent out approximately *one* month prior to the first day of camp with specific camp information and any forms necessary for a successful camp experience. Health forms are available on the website and are required for the Specialty and Point Guard Camps. The health forms should be brought into camp for registration.
