

### **Year Round Clinics with Coach Hogan**

NHTI is one site for fall and winter clinics which offer the camper a great opportunity to practice new and old skills while having fun! Coach Hogan also offers one-man coaching clinics for youth and recreation groups around New England!

Coach Paul Hogan presents year round clinics at NHTI in Concord, NH with his NHTI basketball teams and coaching staff each year! He is also available to visit your school or town to present a coaches or players clinic for any age group. Coach Hogan regularly works with local Parks and Recreation departments to develop youth programs, coach's education programs or to help structure leagues for any age group.

E-mail [phogan@ccsnh.edu](mailto:phogan@ccsnh.edu) or call 603-230-4041 for a registration form.

The NHTI clinics are all 2.5 hours in length and held at the beautiful Goldie Crocker Wellness Center on the Concord, NH campus. NHTI is easy to access (located near the Christa McAuliffe Planetarium & Discovery Center) at the junctions of Rte. 393 and Rte. 93.

Every October, Coach Hogan presents a coaches' clinic aimed at assisting coaches at all levels to be better prepared for the upcoming season. Coaches attend a team practice held at NHTI from 4 pm-6 pm and then retreat to a class room for a 3 hour "skull" session discussing the practice, skills, drills, and philosophy and team management issues. Each coach's session registration fee includes a light lunch and refreshments.

Coach Hogan is available to visit your town to present a clinic or mini-camp as well. Typically, Coach Hogan will work with 5-6 towns organizing sessions to promote the game of basketball using some of the unique Shooter's Gold methods of instruction and organization.

Each and every clinic provides the camper with some positive individual skill instruction and review of the fundamentals. Each clinic is designed to be fun and exciting with the opportunity to learn new skills, be exposed to new skills or techniques, to meet new friends, to play some competitive basketball in small sided games and to review/practice important skills relevant to the game.

Most clinics at NHTI are held during the fall and winter months of October through January. Clinics usually are held on a game or scrimmage day so campers can get some lunch after the clinic and come back to watch the exciting NHTI Lynx play a game or scrimmage at no charge! Parents can watch the clinics or visit Concord area establishments for eating or shopping.
