## Dear Basketball Enthusiast,

The Paul Hogan Basketball Camp will provide a unique opportunity to learn specific skills for “point guard” and “post player” play in basketball. Our dedicated and experienced staff of basketball professionals will provide expert instruction and feedback.

### Background

Each player will receive a rigorous daily workout specific to their position. The outstanding facilities at NHTI and low player-to-coach ratio will allow each player to “develop their individual skills.” We will offer a series of drills that will develop each player’s level of ability.

### Why the Point Guard Name?

To offer the most information and feedback about how to be a point guard, we will instruct and challenge each player to “become the best” they can be. Our coaches have an extensive background with basketball especially point guards and post play.

### Will other positions be taught at camp?

We will instruct every position on the floor. However, we will focus on point guards and post players with more time dedicated to these areas and the skills necessary to be successful.

### Do I have to be a Point Guard to attend?

No. This is a skills camp that will help every player with their overall game and elevate their skill level.

### Meals & Options

All campers should bring all their meals with them in 2021. We will take 45 minutes daily for a lunch break. Camp canteen will offer some snack items including fruit.

### Medical Emergencies

An Athletic Trainer will be available onsite. Medical emergencies will be referred to the local hospital.

## Point Guard & Post Player Basketball Camp

Coach Paul Hogan’s Point Guard & Post Player basketball camp for boys and girls in grades 5-12 will be held at NHTI. The primary focus for the camp will be to provide specialized training with the emphasis on skill development.

- **Specialized offensive skills for players of every position**

- **Small sided competition designed for maximum development of skills and tactics**
